

Smile unveils its new Editorial Board for 2013

Our expert panel is here to answer your dentistry questions and concerns so please email me at can.faik@purplems.com and I will gladly pass them on to the relevant board member.

Dr Philip Greene

Philip has over 35 years experience in dentistry and has been a full-time specialist in periodontics for over fifteen years. Philip was recently appointed as the President for the British Society of Periodontology (BSP). He was a founder member of the Expert Witness Institute, also being listed in the Law Society Directory and the Register of Expert Witnesses, and in his spare time Philip organises dental postgraduate meetings.

Baldeesh Chana

Bal is Deputy Principal Dental Hygiene and Dental Therapy Tutor at Barts and The London. Bal is currently President of The British Association of Dental Therapists, She is a DCP Inspector with the GDC and an internal and external examiner for Dental Hygiene and Therapy. Bal's key areas of interest are in Restorative and Preventive Dentistry.

Dr Mani Bhardwaj

Mani qualified from The Royal London and St. Bartholomew's Hospital, London in 2004. Dr Mani now continues to practice as a Private Practitioner, at The Smile Studios in Richmond, where he is the Principal. Mani has a special interest in Dental Implants and Cosmetic Dentistry, he also has an interest in forensic dentistry in which he has co-authored articles in international journals and has worked with studies conducted by The Great Ormond Street Childrens Hospital.

Professor Andrew Eder

Andrew has been in Private Practice since qualifying from King's in 1986. He is recognised by the General Dental Council as a Specialist in Restorative Dentistry and Prosthodontics. Andrew is also Professor of Restorative Dentistry and Dental Education at the UCL Eastman Dental Institute and Consultant in Restorative Dentistry at the Eastman Dental Hospital which is part of the UCLH NHS Foundation Trust.

Charlotte Jeavons

Charlotte was the first Dental Care Professional at Bart's and The London Dental School to complete the post graduate Certificate in Learning and Teaching. Charlotte has previously held the position of Chair of the National Oral Health Promotion Group. More recently, Charlotte has been part of the working group at the Dept. of Health that developed and published 'Improving oral health and dental outcomes: Developing the dental public health workforce in England' (2010).

Mhari Coxon

Mhari has over 20 years experience in dentistry in the UK, working as a dental nurse, receptionist, oral health advisor and ultimately dental hygienist in a variety of practice and hospital environments including working as a clinical tutor at GKT. Mhari was hygienist of the year in 2006 and highly commended in 2010. She was recognised as a key influencer in UK Dentistry by being placed 15 in the Dental Top 50 in 2011 and 5 in 2012.

Sally Goss

Sally was President of the British Dental Health Foundation until 2000 and was voted Hygienist of the Year 2000. She was instrumental in setting up *Smile*. She has a monthly slot on BBC radio advising listeners on dental problems. Sally is a Director of Practice Doctor Ltd giving training advice and coaching to dental practices. She is practice valuations consultant and works in private practice in Harley Street, London.

Dave Bridges

Dave has nearly 30 years' experience in dentistry, over 25 as a dental hygienist. Working in predominately private general practice, Dave is interested in the full scope of hygiene clinical practice and a keen advocate of Direct Access with particular interests in advanced periodontal disease and Caries Management.

Alexandra Booler

Alexandra has over 12 years' experience within healthcare, she started her professional education by achieving a BA (hons) in Nursing Studies. This was followed by a Diploma in Hygiene and Therapy from Sheffield University. Currently, Alex is a Dental Therapist with a busy schedule. She works within the NHS in a busy Maxillofacial department and within Private practice as a Hygiene Therapist.
